Finished Sizes & Pattern Measurements

Use these 3 seller-friendly sizes for a reversible tie-on triangle bandana.

SIZE	NECK RANGE	CUT WIDTH	CUT HEIGHT	CUT 2 TRIANGLES	TURNING OPENING	APPROX. POINT DROP
Small	10–14 in	24 in	8 in	1 from Fabric A + 1 from Fabric B	3 in	7 1/4 in
Medium	14–18 in	30 in	10 in	1 from Fabric A + 1 from Fabric B	3 1/2 in	9 1/4 in
Large	18–22 in	36 in	12 in	1 from Fabric A + 1 from Fabric B	4 in	11 1/4 in

NOTES

- ♥ All sizes use a **1/4 in** seam allowance.
- ♥ The extra top width is what gives enough room to tie the bandana comfortably.

Tools & Materials

Gather everything before you begin.

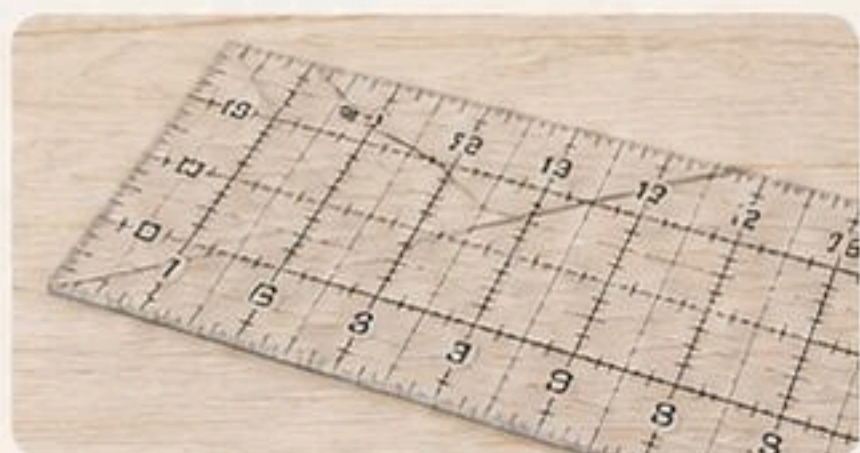

2 woven cotton fabrics

matching thread

paper for template

ruler

fabric chalk or
washable marker

fabric scissors or
rotary cutter

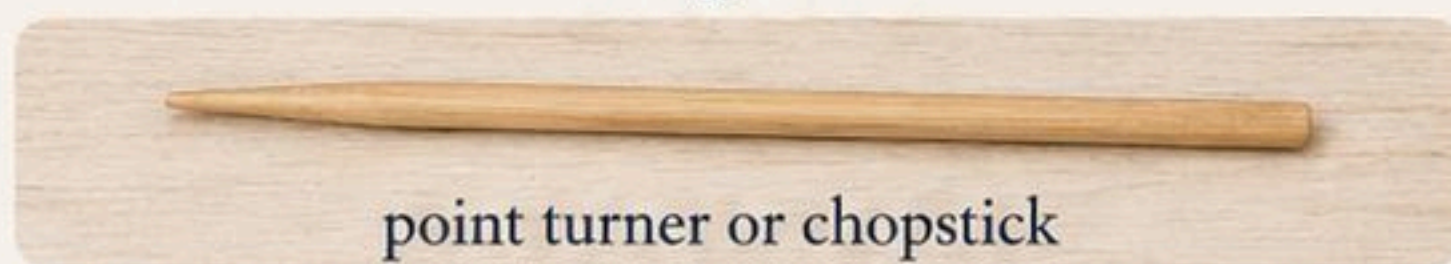

pins or clips

iron and
ironing board

sewing machine

point turner or chopstick

*Best fabrics: quilting cotton,
cotton poplin, chambray,
or lightweight linen blend.*

*Choose 2 fabrics that
coordinate well because
both sides will be visible
and wearable.*

Draft the Paper Template

Make one triangle template in the size you want.

STEPS

1. Draw the top width using the size chart.
2. Mark the center of the top edge.
3. Measure straight down the correct cut height.
4. Connect both top corners to the bottom point.
5. Label the template with the size name.

SIZE REMINDER

-  **SMALL** — 24 in wide x 8 in tall
-  **MEDIUM** — 30 in wide x 10 in tall
-  **LARGE** — 36 in wide x 12 in tall

TIP

Use cardstock or poster board if you plan to cut this pattern often.

Trace and Cut Both Fabrics

Cut one triangle from each fabric using the same template.

- 1** Place the template on Fabric A and trace around it.

- 2** Cut 1 triangle from Fabric A.

- 3** Repeat the same steps for Fabric B.

- 4** Keep both cut triangles stacked neatly so the edges stay matched.

NOTE

For a balanced reversible finish, both fabric pieces must be exactly the same size.

TIP

If your fabric print is directional, make sure both triangles are cut with the point facing the same way.

Bandana Collar Patterns

Layer Right Sides Together

Place the 2 triangles so the pretty sides face inward.

1

Put Fabric A and Fabric B right sides together.

2

Match the top edge, both slanted sides, and the bottom point.

3

Clip or pin around the outer edges.

4

Mark a turning opening on one slanted side.

TURNING OPENING LENGTH

Small

3 in

Medium

3 1/2 in

Large

4 in

NOTE

The turning opening lets you flip the bandana right side out after sewing.

Sew Around the Edges

Stitch the 2 layers together, but leave the turning opening unsewn.

① 1. Sew with a
1/4 in seam allowance.

② 2. Start just after
the opening mark.

③ 3. Backstitch at
the start and end.

④ 4. Sew around the
top edge, both
slanted sides, and
the point.

⑤ 5. Stop before the
opening mark so
the gap stays open.

DETAIL: POINT SEAM

DETAIL: TURNING OPENING

*Do not stitch the opening closed yet —
it is needed for turning.*

Trim, Turn, and Press

Reduce bulk, turn the bandana right side out, and shape it neatly.

1

Trim a little seam bulk away at the bottom point, without cutting through the stitches.

2

Turn the bandana right side out through the opening.

3

Use a point turner or chopstick to gently push out the point.

4

Tuck the seam allowance of the opening inward.

5

Press the whole bandana flat so both sides sit smoothly.

HELPFUL NOTE

Pressing now helps the reversible bandana lie flat and makes the final topstitch much cleaner.

Bandana Collar Patterns

Topstitch and Wear Either Side

Close the opening and finish the reversible edge.

- 1 Topstitch all the way around the bandana about 1/8 in from the edge.

- 2 Make sure the turning opening is fully closed as you stitch.

- 3 Give the bandana one more light press.

1. Tie the bandana at the neck.

2. Wear Fabric A facing out.

3. Flip and wear Fabric B facing out.

NOTE:

The topstitch keeps both layers aligned and gives the reversible bandana a crisp finished edge.
