ABOUT THIS TUTORIAL

In this tutorial, you'll learn how to make a dog collar using paracord.

You'll use paracord in different colors, a few basic tools, and ladder-style (lizard weave) knotting techniques.

This project is perfect for creating a strong, comfortable, and stylish handmade collar your dog will love.

1

Step 1 — Prepare the Cords

Once the configuration and colors are set up, check that the length is still correct.

Also check that the left and right strands of each color are even.

If everything looks correct, you can start tying the knot.
